A Message from the President

Good morning Guests and Fellow Probians,

I cannot believe how quickly the past twelve months have gone, this morning is our A.G.M and Changeover, marking the end of a very happy year for me.

It was certainly an honour to be elected the President of Kincumber Probus Club and what a pleasure it has been serving the Club, made more enjoyable with the support of a really GREAT Committee.

It is hard, no impossible, for me to fully thank the Committee members and our many co-opted officers for their support during my Presidency and for their efforts in maintaining the high standard our Club has so fortunately enjoyed since its inception.

I am sure you will all join me in wishing our incoming President John Horton and his Committee every success for the ensuring year and I know every member will give them their wholehearted support.

Serving the Probus tradition, Gordon Maxwell.
