Reports / General Business	
<p>Matters Arising from the Minutes – Seating arrangements for General Meetings are back as normal as trial change proved unsatisfactory.</p>	
<p>Treasurer's Report – Treasurer Fred reported a balance Of \$1,919 03 being an increase of \$739.75 as at the same time last year. He suggested a refund of \$10 per member from subscriptions for the ensuing year. New members to pay a \$15 joining fee and \$16 subscription.</p>	
<p>Speaker Convenor – Probian Ed reported that the following speakers have been booked: Feb. Dr D. Malen, "Things to Do and See in the Dark". Mar. Alan Strom, "Environmental Problems on the Central Coast". Apr. Robert Fox, "Rights of Consumers".</p>	
<p>Social Convenor – Probian Jack advised that payment for the Bright trip is due at the February meeting. Feb 20th Trip to Darling harbour. Mar 13th BYO to Avoca Beach. April 2nd Trip to Bright. He also advised the meeting of tentative outings for 1991.</p>	
<p>Membership Officer – Probian George advised that 10 applicants were awaiting membership. After a discussion re Rotary Club's suggestion that another Probus Club be formed within the area, consensus of opinion was that the ultimate success of the project was doubtful. Similarly, it was thought that the suggestion to increase our membership was not a good idea as increased numbers, in an already strong club, would prove unwieldy.</p>	
<p>Before closing the meeting at 11.00 am President Ken thanked the committee for their performance during his term as President. Next meeting will be at G. Blackmore's home on Tuesday, 1st May at 10 am.</p>
