

Minutes of Committee meeting of the Kincumber Probus Club Inc held at the Avoca Beach Bowling Club on Wednesday 8th April, 1998, at 1.00pm.

Present President Ted Johnson (in the chair) Lerryn Mutton, John Wallace, Gordon Maxwell, Ken Robson, Nev Owen and Ron Coleman.

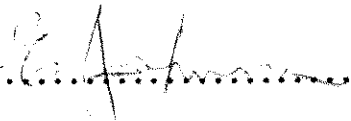

Membership following the recent death of Jack Preece the Committee referred to the minutes of Committee meeting dated 11th November, 1997, in regard to the admission of another member to the Club.

Since that date John Steanes was admitted on 24.2.98 and Eric Waldegrave is next in line, it was also noted that he was agreeable to taking over as Editor of the News Sheet (if elected) in July. It was unanimously agreed that he be inducted at the next meeting on 28th April.

A discussion on the illhealth of Alan Lucre followed, Alan is currently in Gosford Hospital to have an operation and will then join his wife Beryl in Woy Woy Rehab for respite care while a place for them both in a nursing home is found and it is regrettably unlikely he will ever be able to attend another meeting. It was unanimously agreed to transfer him to the inactive list as it would not in any way effect his future participation in Club activities except for the right to vote at meetings

Membership officer Ken advised the Club had received a transfer from the Probus Club of Sutherland for Jack Gentle and it was unanimously agreed that he be added to the transferree list at the next meeting on 28th April. John Wallace advised Jack was his brother in law.

There being no further business the meeting closed at 1.15 pm.
